General Terms

The Isle of Man Financial Services Rulebook as defined below requires licence holders to classify their clients as either 'retail' or 'non-retail'. The requirement to classify clients correctly is important as they have different levels of regulatory protections afforded to them.

Capital Treasury Services Limited has considered the following definitions:

Retail

Any natural person/individual clients not deemed to be a non-retail client.

Non-Retail

Legal entities, corporate, trustee, institutional, and charity clients, professional/sufficiently experienced and sophisticated investors and execution only clients.

If we receive an order or orders outside business hours or with insufficient time to execute them that business day (having regard to the normal market trading hours for the exchange in which the order is to be executed), we will execute them at the earliest practical opportunity on the next business day, following the start of normal market trading hours (unless the order is time limited and has expired). Please note that we may not necessarily be able to obtain the opening market price.
- 2.5 You should note that the volatility in price movements and the spread between buying and selling prices may be greater when the market first opens than at other times of day.
- 2.6 Orders may be subject to any price limits or restrictions that you may specify from time to time, (hereinafter referred to as your "requirement"). We will use our best endeavours to accommodate your requirements and will notify you if we are unable so to do. Any transaction that we enter into will be subject to the rules and customs of the relevant exchange and/or market. We will use our best endeavours to comply with our obligations of timely execution under the Rulebook.
- 2.7 It is important to note that we will NOT undertake on your behalf the following transactions:
- 2.7.1 Deposit taking as defined by the Financial Services Act 2008 Regulated Activities Order 2011 as amended from time to time (Banking Business);
- 2.7.2 Purchase and sale of commodities.

- 2.9 You have the right upon giving reasonable written notice to the Chief Compliance Officer to request details of any relevant educational and professional qualifications and the experience and record of accomplishment of CTS and Capital International Limited or any employee directly engaged in providing services to you.

3.0 Discretionary Clients

- 3.1 We will undertake to manage on your behalf on a Discretionary basis, the portfolio of cash and investments belonging to yourselves as reported by you. Subject to any instruction that you should give us, we shall have full authority at our discretion and without any form of prior reference to you to enter into any kind of transaction or arrangement for your account in or relating to investments of the type listed under the section headed "Services" above.
- 3.2 Should we consider it to be in your best interest to enter into a transaction for you which carries risks which are significantly greater than, or different from, those normally undertaken for you. We will notify you and gain your approval before we enter into the transaction.
- 3.3 We appreciate that on some occasions you may wish to give us an investment order even though you are a Discretionary Client; such orders will be dealt with on an Execution Only basis and we will not be responsible for assessing the merits of the investment concerned unless specifically requested to do so.
- 3.4 Management fees will be deducted from the base currency dealing account, unless other instructions are agreed in advance.
- 3.5 For the avoidance of doubt and for the purposes of this Agreement, the services do not include or provide for any measure of portfolio performance by reference to any specific measure unless the same shall have been agreed with you in writing. Nor shall we enter into any stock borrowing or lending arrangements with your investments, and in the event that we were to consider that either hedging or borrowing were to be suitable for your portfolio, such activity would only be undertaken after we had notified you of the same together with any associated risks. We would obtain your approval before we enter into the transaction.

4.0 Execution Only

- 4.1 In the event that we are instructed by you to provide you with an Execution Only service, we will not advise you about the merits of a particular transaction and you will not expect to receive such advice.
- 4.2 It should be noted that by undertaking activities on an Execution Only basis, we will prescribe you as a non-retail client, and consequently this reduces the level of investor protection to you.
- 4.3 Pursuant to Rule 6.42 of the Rulebook Rules 6.32 and 6.37-39 will not apply to you. See Part B of these Terms of Business.

5.0 Market Abuse

- 5.1 Each time you open or close a Trade, you represent and warrant to us that:
- 5.1.1 You will not place and have not placed a trade that contravenes any law, rule or regulation against insider dealing or market abuse. For the purposes of this clause you agree that we may proceed on the basis that when you open or close a trade with us in a company or currency you may be treated as 'dealing in securities' within the meaning of any law, rule or regulation against market abuse; and
- 5.1.2 You will not otherwise place and have not placed a trade in circumstances which may be considered to constitute market abuse.

6.0 Spot Foreign Exchange Deals

- 6.1 At your request, CTS will normally be prepared to offer a rate of exchange at which it will convert "at spot" (i.e. for value two working days forward), cleared funds held by CTS in one currency, into the new currency at an agreed exchange rate. Upon exchange, CTS will either accept the sum in the new currency or pay the funds in the new currency back to your nominated bank account.

7.0 Forward Foreign Exchange Deals

7.1 At your request, CTS will normally be prepared to offer a rate of exchange at which it will convert on a "forward deal" basis, the cleared funds held by CTS in one currency into the new currency for delivery at an agreed future date. CTS will normally consider entering into forward deal contracts only on the basis of full cash cover of cleared funds already held by you with CTS. Such full cash cover will be held by CTS in a client bank account until the agreed forward date is reached and the transaction is completed. For such transactions, CTS will require you to specify on the application form, the terms and details of such deals and for you to acknowledge and give your agreement to full cash cover from your unencumbered cleared funds being placed held by CTS in a client bank account for the duration of the forward deal contract.

8.0 Your Warranty & Obligations

- 8.1 By signing the Product Application Form you agree that you have read these Conditions and any others which specifically relate to the product or service chosen by you, and agree to be unconditionally bound by them as the same may be amended varied or supplemented from time to time in accordance with your Agreement with us.
- 8.2 Save as otherwise disclosed by you to us, you warrant that you have full and unfettered powers to employ us in accordance with your terms of business and you further warrant and represent to us that your investments are, and for the duration of your terms of business will remain free from any lien, charge or other encumbrance.
- 8.3 In choosing our nominee services, you confirm that we have your authority to engage, pursuant to the Rulebook, CINL and/or any agent to provide settlement, safe custody, nominee and associated services for you; to give instructions to the agent on your behalf; and that you agree to be bound by the obligations of that agent as set out in these Terms of Business and any accompanying Agent's Terms.
- 8.4 You must complete the Product Application Form and supply all documentation and information that we request to meet our account opening procedures and to comply with anti-money laundering and countering the financing of terrorism legislation.
- 8.5 You must inform us immediately in writing of any changes to the details of your personal or financial circumstances as given either in the course of application or at any subsequent date including but not limited to any change of name, address or contact details, and if you are a company, a partnership, a trust or an unincorporated association, any change in your constitution or equivalent or in the composition, identity or addresses of parties connected to your account such as your officers, signatories, owner(s), controllers and beneficiaries as are applicable, and to provide us with documentary evidence of the change on request.
- 8.6 Your account will not be operational until we are satisfied that our legal obligations have been fulfilled. We also reserve the right to request information and documentation regarding any transaction. Further, if we request information from you, including documentary evidence pursuant to our legal obligations, we may in our absolute discretion restrict or suspend the operation of your account or the availability of services until we are satisfied that our legal obligations have been fulfilled.
- 8.7 If you have been introduced to us by an intermediary who acts as your financial adviser you must notify us if that relationship ceases. Further, you acknowledge that where you employ a financial adviser who has introduced you to us and who will manage or advise on your account with us we shall not be responsible for assessing whether or not the product or service associated with your Product Application Form is suitable for you.

- 8.8 You warrant that you will disclose your status as a Politically Exposed Person as defined at the front of this document under 'Definitions'.
- 8.9 You undertake, if so required by us, to maintain a level of cash in your account sufficient to cover the then anticipated next 12 months custody, administration or other fees.
- 8.10 For security purposes, you are required to nominate a suitable password, which may be required to operate your account. It is your responsibility to keep the details of this password secure as neither we, our employees, sub-contractors, agents nor delegates shall be liable for any loss suffered due to its unauthorised use.

9.0 Right to Refuse to Open an Account; or Accept an Instruction; or Receive New Monies

- 9.1 We reserve the right to refuse to accept funds for investment, to refuse to accept an instruction and to refuse to open an account without giving prior written notice and without giving a reason for any such decision.
- 9.2 We reserve the right to refuse to act on instructions that would result in your account going overdrawn unless the overdraft has been authorised in writing in advance by us.
- 9.3 We reserve the right in our absolute discretion, and without being under any obligation to inform you of our reason for doing so, to close any Trades that you may have open or refuse to accept any instruction or funds for investment in any circumstances where:
- 9.3.1 We have enquired into any transaction for purposes such as, but not limited to, the prevention of fraud or crime and have not received such information or explanation as we consider necessary in the circumstances; or
- 9.3.2 We suspect or have reasonable grounds to suspect that your account is being used in relation to, or in connection with, any improper purpose or any criminal, fraudulent or other similar purpose; or
- 9.3.3 If the instruction or receipt of funds for investment was accepted and effected by us, that transaction could give rise to some liability (civil or criminal) on our part or any employee or associated person of ours; or
- 9.3.4 We have been informed by any court or governmental authority of any jurisdiction that you have, may have, or could have, if such instruction or funds for investment were accepted, funds invested with us that are the proceeds of a crime committed or believed to be committed under the laws of any jurisdiction.
- 9.4 For the purposes of this Clause 9 only, references to "governmental authority" includes any national, state, municipal, local or other government, or any subdivision, agency commission or authority thereof (including any administrative or enforcement body).

10.0 Events of Default & Closure of Accounts

- 10.1 An event of default shall be inter alia:
- 10.1.1 a failure by you to deliver either cash or securities when due in respect of any transaction which we are to settle as your agent; or
- 10.1.2 that you do not take all such steps as may reasonably be necessary to secure the due and prompt execution and settlement of such transactions.
- 10.2 In the event that we, CINL, or an Eligible Custodian suffer an Event of Default as described at 10.1, we may without prior reference to you:
- 10.2.1 Require immediate payment of any amounts you owe us including any financial penalty imposed by virtue of the mandatory buy in notice regime;

- 10.2.2 If the Base Currency of your Account is a currency other than Pounds Sterling, to convert any balance to Pounds Sterling;
- 10.2.3 Cancel, close out, terminate or reverse all or any orders or open trades;
- 10.2.4 Sell, charge, pledge or otherwise dispose of any investment held for you at whatever the best price reasonably obtainable and in whatever manner we see fit, in its absolute discretion (without being responsible for any loss or diminution in price in the absence of negligence, fraud or wilful default);
- 10.2.5 Enter into any other transaction or do or not do anything (including application of client money held for you) which would or could have the effect of reducing or eliminating liability under any transaction, position or commitment undertaken for you;
- 10.2.6 Exercise a right of set-off and apply (having given you reasonable notice) any credit balance on your account and any interest on it, towards the satisfaction of any sum which is due from the Fund to us;
- 10.2.7 Suspend your account and refuse to execute any Trades or Orders;
- 10.2.8 Terminate this Agreement;
- 10.2.9 Require you to charge your investments to us in such manner as may reasonably be required by us in order to protect our position.
- 10.3 Without limiting any right to terminate this Agreement at any time, we may close your account in the following circumstances:
- You fail to pay any amount owed to us on time;
 - Any information supplied by you during the application process or at any other time is found or believed to be misleading or false;
 - Your trading or account activity is of such a size or style that we no longer wish to deal with you;
 - We have reasonable grounds for suspecting the activity on your account may have involved market abuse, money laundering or any criminal activity;
 - We are in an ongoing dispute with you and decide that we are unable to continue to provide services to you; or
 - You are abusive to our staff, which for the avoidance of doubt shall include activity which inter alia includes bullying or the exertion of undue influence or pressure in the exercise of their duties.
- 10.4 Upon giving you notice of our intention to close your account pursuant to Clause 8.3, you will not be permitted to open any new Trades and you will only be entitled to make Trades or otherwise deal as a client insofar as necessary to close all open Trades. We may close any Trades remaining open 10 business days after the date on which we give you notice.
- 10.5 In the event of termination under these circumstances we reserve the right to recover from you any costs incurred by us in connection with the transfer of your assets (if any) to a new custodian as reasonably directed by you. If you make no such request we will take steps to re-register your assets into your name and to transfer your cash to you at our discretion.
- 11.0 Our Fees**
- 11.1 Our remuneration and other charges for dealing, safe custody and investment management services are set out in our current Tariff Sheets and are subject to review as described therein. Our charges may be shared with a third party, including an associated company and if so, that will be shown on the relevant contract note or advice sent to you. In addition, we may also charge you for any out of pocket expenses which we, or our sub-custodian (Eligible Custodian), may incur in connection with the provision of our respective services under this Agreement, together with interest thereon.
- 11.2 Management fees are calculated in accordance with our agreements with you, and to include VAT where appropriate. You will be notified by way of an invoice or statement of account on a quarterly basis and fees will be deducted from your account accordingly.
- 11.3 We may levy a penalty of £100 (or the equivalent) where fixed term investments are broken prior to the maturity date. In addition accrued interest calculated to date of the termination together with any charges levied by the underlying bank will also be deducted from the final settlement.
- 11.4 No charges, other than those mentioned above or as stated on the Tariff sheet or withdrawal charges for sums below £5,000 or the equivalent will be applied if your transactions are dealt with in accordance with the Terms of Business herein.
- 11.5 We reserve the right upon giving not less than 30 days' notice to amend our charging structure or introduce additional charges or fees from time to time.
- 11.6 Debit interest may be charged without notice at a rate up to 3% per annum above UK and local base rates as adjusted from time to time in respect of:
- any account which becomes overdrawn;
 - on any monies which remain outstanding or unpaid in respect of any delay in settlement or non-settlement of a transaction; or
 - any fees or charges due from you in respect of services provided. If we incur higher interest charges on your behalf with an Eligible Custodian, we reserve the right to recover those interest charges from your account.
- 11.7 The fees payable by you to us may be supplemental to or abated by other remuneration receivable by us in connection with a transaction on your behalf.
- 11.8 We reserve the right without notice to you, to effect transactions on your behalf and at your expense for the purpose of reducing fees which are outstanding and due to us.
- 11.9 In particular, and in respect of certain asset classes we may receive annual remuneration from time to time. Levels of remuneration that we receive from counterparties vary. A simple example of its calculation can be illustrated as follows:
- Value of Holding: £100,000
Annual Remuneration Rate: 0.25%
100,000 x 0.25% = £250 per annum
- Details and a summary of remuneration received by us can be made available upon written request.
- 11.10 You are able to notify us at any time that you wish to change to a different charging structure and if agreed by us, we will apply the new commission rates and safe custody fees from the start of the next quarterly billing period.
- 12.0 Dealing on Your Behalf**
- 12.1 In respect of the provision of such services detailed above, we shall not be responsible for any delays or inaccuracies in the transmission of orders or other information or the execution of orders due to any cause whatsoever beyond our reasonable control. We will send you with due despatch a confirmation or contract note in respect of each transaction effected on your behalf. In addition to the provision of paper contracts sent by post, the dispatch of

confirmations or contract notes may also be affected by posting on our secure portal if you use this service by email (if you have agreed to correspondence by way of email), or by posting on our website.

12.2 In so far as may be applicable, and on the proviso that we are able to validate your authority to instruct us, we may accept instruction from you using any reasonable means of communication available. We will take an instruction from you by post, face to face, or over the telephone. However, you may be required to provide personal details or provide a password to establish your identity.

12.3 Unless otherwise agreed in writing with you we do not accept time sensitive, action orientated messages or instructions such as transaction orders, cash or fund transfer instructions electronically – that is by way of fax or email. Any email which is sent by you is only deemed to have been received when opened and read by us. Mere delivery to one of our servers is not sufficient to pass liability. If you choose to send an instruction by way of fax or email you should nonetheless ascertain orally that the same has been received.

12.4 Confirmation notes and contract notes, in the absence of manifest error, shall be conclusive and deemed acknowledged by you as correct once you have settled the transaction in the normal course of business and in any event within seven days of despatch, unless:

- a) we receive from you notice to the contrary;
- b) we notify you of an error therein; or
- c) in the absence of either of the above you settle the transaction in the normal course of business.

12.5 We will at all times comply with the Rulebook and, in particular, our services are provided on the basis of the paragraphs 13 to 49.

13.0 Capacity in Which We Deal

13.1 When we carry out a transaction on your behalf we may be:

- 13.1.1 dealing as principal by selling the investment concerned to you or buying it from you on our own account; or
- 13.1.2 matching your transactions with that of another client by acting on that client's behalf as well as yours.

13.2 This will be shown on the relevant contract note or advice. Our obligation to secure for you a best execution price under the Rulebook will not be affected, but we shall not be under an obligation to account to you for any profit or remuneration received by us as a result of any corresponding transaction.

14.0 Aggregation of Orders

14.1 We may combine your order with our own orders and orders for another client. In combining your order with those of other clients we must reasonably believe that we will obtain a more favourable price than if your order had been executed separately. However, on occasions aggregation may result in your obtaining a less favourable price.

15.0 Conflicts of Interest

15.1 It is possible that we may have an interest, relationship or arrangement that is material to the investment transaction or service concerned. For example we may be involved in a rights issue, a new issue, take-over or similar transaction. Our employees are, however, required to comply with a policy of independence and disregard any such interest when providing the service to you.

15.2 From time to time we may introduce you to an associated company from within the Capital International Group of companies. We will not refer you to use the services of another person who is an associate of ours without disclosing that relationship to you.

15.3 In addition, it should be noted that we both provide to and receive from associated companies a range of administrative, back office and investment services.

15.4 A summary of our Conflicts of Interest policy can be made available upon written request to the Chief Compliance Officer.

16.0 Instructions from Third Parties

16.1 There may be occasions when you wish to authorise a third party to give instructions on your behalf; for example a spouse, an accountant, a lawyer etc. If this is the case then we shall require notification in writing detailing the relationship. We will require that person provide a specimen signature together with such other information we may request in order to meet our due diligence requirements as if they were a party to the account. Please note that until the authority has been withdrawn, any action taken by us in accordance with such authority will be binding upon you.

17.0 Restrictions on Types of Investments

17.1 The Product Application Form should list any investments or types of investments or geographical area in which you do not wish to participate. For example, tobacco, alcohol or countries that do not conform to the democratic beliefs of the Isle of Man.

18.0 Valuations & Statements

18.1 In the event that we are required to provide you with valuations of your investments (including cash balances), these will be produced not less than once every 6 months unless otherwise agreed with you. Each valuation will show details of the composition of your investments. The value of the investments contained in the valuation will be arrived at using reputable quoted sources by taking closing middle market quotations on the relevant investment exchanges or, if bid and offer prices are not obtainable, then the closing prices or the last traded prices for the close of business, on the relevant valuation date or such other basis as is stated on the valuation from time to time. A statement of account will also be prepared and will show income received from your investments and particulars of each transaction undertaken during the relevant period, including any charges deducted by way of administration fees, remuneration, custody fees or otherwise.

18.2 All reporting in respect of your investments is available via our website online/paperless service or by email. Save as provided below, no charge will be made for contracts notes or confirmations, statements of account or valuations. We will not provide paper statements, contract notes or valuations unless you request the same.

18.3 Subject to the charges set out in our tariff sheets from time to time, we can provide paper valuations or statements on request.

19.0 Short Positions

19.1 We undertake that we will not knowingly execute a bargain that would result in you having a short position. The definition of a short position is when an individual contracts to sell investments, which they do not own, intending to buy them back in the market at a lower price before delivery.

20.0 Non-Readily Realisable Investments

20.1 Whilst it is our policy to purchase high-quality and relatively liquid investments there may be occasions, from time to time, when we may purchase investments which are 'not actively traded', or are not traded on or under the rules of a stock exchange or an investment exchange.

20.2 The market for such investments may be limited or could become so. It may be difficult to establish a proper market price for such investments or arrange a subsequent sale. We shall disclose this to you when discussing recommendations if we consider the investment concerned falls into this category.

- 20.3 Unless instructed to the contrary, we may undertake transactions in non-readily realisable investments in which the market is limited or could become so, such that they may become difficult to deal in. If we are aware of such a situation arising or likely to arise on an existing holding, we would be responsible for bringing this to your attention.
- 21.0 Off-Exchange Transactions**
- 21.1 We may deal for you in circumstances in which the relevant deal is not regulated by the rules of any stock exchange or investment exchange. See the section entitled 'Non-Readily Realisable Investments' directly above.
- 22.0 Custody of Your Investments**
- 22.1 Investments purchased through us will be registered in the name of CINL (our Nominee Company) or an Eligible Custodian, or if you so request and where it is feasible to do so in your name. Documents of titles relating to investments belonging to you and in your name may, if so agreed, be held by us.
- 22.2 We are responsible for the acts of CINL to the same extent as if for our own acts, including for the avoidance of doubt, for losses arising from fraud, wilful default or negligence. Should we be instructed by you in writing that investments purchased through us are to be registered in the name of another person (which must not be us or an associate of ours) whom you shall specify, the consequences of registration carried out in accordance with such instructions are entirely at your risk. The legitimacy of any such registration also remains your responsibility.
- 22.3 Overseas investments will be registered or recorded in either the name of CINL or that of an Eligible Custodian in one or more jurisdictions outside the IOM or UK where, due to legal requirements or the nature of market practice in the jurisdictions concerned, it is in your best interests or it is not feasible to do otherwise. As a consequence of this, such investments will not be segregated from investments belonging to us and therefore any protection afforded may be reduced should a default occur on the part of the person in whose name the investments are registered or recorded. Please note that investments which are held overseas may be subject to different settlement, legal and regulatory requirements than those which apply within the Isle of Man. We will not be held liable in the event of a default by a custodian, including responsibility for losses arising directly from its own fraud, wilful default or negligence.
- 22.4 Investments registered or recorded in the name of a nominee (or Eligible Custodian as outlined above) may be pooled with those of one or more other clients of ours. Accordingly, you should note that individual entitlements may not be identifiable by separate certificates, physical documents or equivalent electronic entries on the register.
- 22.5 In the event of an irreconcilable shortfall following any default by the Eligible Custodian responsible for pooled investments, you may not receive your full entitlement and may share in any shortfall pro-rata. We will not be held liable in the event of a default by a custodian. However, we do not disclaim responsibility for losses arising directly from our own fraud, wilful default or negligence.
- 22.6 Because your investments may be held on a pooled basis, additional amounts may arise that would not otherwise have occurred had such investments been registered in your own name (for example, following certain corporate actions). Consequently, you will not be entitled to these additional amounts.
- 22.7 Some companies provide benefits to shareholders relating to the nature of their business. These benefits will not necessarily be available to you automatically, as your stock will be registered in the name of a nominee company. Should you wish to receive these additional benefits, you should discuss your requirements with us.
- 22.8 All instructions regarding the administration of investments held by CINL or an Eligible Custodian on your behalf should be made in writing to us. We do not accept from, or send instructions to, third parties unless a valid power of attorney has been established for this purpose.
- 22.9 Where investments are registered in the name of CINL or an Eligible Custodian, if notice is received by us of events or circumstances such as rights issues, conversions, take-overs or other offers or capital reorganisations, in respect of which rights are exercisable, we will contact you for instructions and in the absence of receipt of instructions from you we will take no action. Should you fail to provide instructions to us by any specific date that is advised we will not be liable to you for the outcome.
- 22.10 On a bi-annual basis, we or an Eligible Custodian will provide you with a statement detailing all investments held on your behalf in safe keeping. This statement will also provide details of any cash balance held for you as client money. The value of any stock held as collateral as identified on the annual statement is calculated using the mid-market closing price at the close of business on the date of the valuation. Holdings are reported on a trade date basis.
- 22.11 Save as may be agreed between us by way of special arrangement we do not in the ordinary course of providing custody facilities facilitate proxy voting at general meetings of companies in which you hold investments.
- 23.0 Settlement of Transactions**
- 23.1 All your investments will be handled in an account administered by us and you are responsible to us for the settlement of all transactions.
- 23.2 Unless otherwise agreed in writing, your account will be settled on a net basis. If you fail to pay or deliver in good order any documents required by the due date for settlement, we may (although we are not obliged to do so) settle the transaction for you. If we do so, we may retain any funds due to you and be entitled to offset the liability against those funds.
- 23.3 In addition, we may also, without notice to you, effect transactions on your behalf and at your expense for the purpose of reducing or closing out any unsettled position, to the extent that we suffer costs, damages, losses or other expenses as a result of such circumstance.
- 23.4 You agree that all transactions will be due for settlement in accordance with market requirements as shown on the relevant contract note, confirmation letter or advice.
- 23.5 You undertake to procure that we will receive all investments and foreign exchange when due with respect to any transaction which it is to settle on your behalf and that all investments and foreign exchange held by, or transferred to us or CINL will be and remain free of any lien, charge or encumbrance.
- 23.6 All payments due to us will be made without set-off, counterclaim or deduction. All investments and foreign exchange held or transferred to us or CINL will be subject to a charge by way of security for your obligations to us, but only in so far as any such settlement obligation remains outstanding.
- 24.0 Our Responsibility for Loss**
- 24.1 Subject to the Rulebook, neither we nor our employees, sub-contractors, agents or delegates shall be liable for any loss suffered by you under this Agreement unless such loss arises from our or their gross negligence, wilful default, fraud or from failure to comply with the Rulebook. We do not otherwise accept liability for loss or damage that you may suffer as a result of the provision of services under these Terms of Business. In that connection we also draw your attention to the provisions of the sections entitled 'Your Money', 'Custody of Your Investments' and 'Force Majeure' contained within these Terms of Business.

25.0 Right of Set-Off

25.1 Should you have more than one account with us, we will have the right to set-off the debit on one account against the credit on another. In certain circumstances this may entail the sale of an asset or part thereof having previously given you notice of our intention to do so and if the accounts are expressed in different currencies, they may be converted into Sterling at the prevailing rate of exchange.

26.0 Research

26.1 Recommendations and comments contained in our research publications may well be affected by subsequent changes in market conditions, particularly in share prices. Furthermore, not all recommendations are necessarily suitable for all investors and any investment policy must be tailored to suit the circumstances of each individual customer.

27.0 Minimum Investment; Inactive/Dormant Accounts

27.1 If you subsequently withdraw money to bring the value of your account below a minimum investment of £1000, we reserve the right to sell any remaining holdings in your account and hold your investment as cash.

27.2 We consider an account (with the exception of accounts managed under discretion) to be dormant or inactive when there have been no open trades on the account for a period of 90 calendar days or more.

27.3 We reserve the right to deactivate your account if it has been dormant or inactive for a period of 12 months or more. Where reasonably practicable we will give you advance notice by email of any deactivation but this may not always be possible and/nor practical.

27.4 In the event that you receive a notice of pending deactivation or your account has been deactivated without you receiving notice and you wish it to remain active or be reactivated, please contact our support team by email at the following address: customerservices@capital-iom.com. Any reactivation of your account will be on such terms as we may reasonably require in order to meet our regulatory obligations in the management and provision of services to you.

27.5 We may charge an account maintenance fee in relation to inactive or dormant accounts. Details relating to such charges can be obtained by reference to our current rate sheets.

28.0 Your Money

28.1 We will not at any time hold monies in your name. Any payments of money required in relation to the provision of our services under these Terms of Business will be made directly to us or if agreed to an Eligible Custodian.

28.2 Unless otherwise requested by you, the base and reporting currency of your account with us will be Sterling.

28.3 Any money held by an Eligible Custodian and not otherwise invested will be held in either a client account or a nominee bank account and will be dealt with in accordance with our agreement with the Eligible Custodian, but subject to the overriding provisions of the FSA and/or local market rules and regulations in force from time to time on client money.

28.4 We can only hold or deal with your money in accordance with the Rulebook, which among other things requires us to hold such money at a recognised bank, and thereafter in a client bank account or a bank account operated by our nominee company established with statutory trust status.

28.5 Your funds will therefore be segregated from our own funds at a recognised bank, as defined in the Rulebook. The recognised bank may hold such money with other clients' money in a pooled

account. This means that client money is held as part of one or more common pools of money as defined by us in accordance with our client money policies, so you do not have a claim against a specific sum in a specific account; your claim is against a client money pool, as defined by us from time to time.

28.6 'Uninvested Money' (i.e. money not immediately required to settle a purchase or other transaction) may attract interest in accordance with rates published from time to time and details of which are available on request. Interest, calculated on a daily basis, will be credited every 6 months but sums of less than £20 will not be distributed. We will pay interest gross where it is legally permitted to do so; whether interest is paid gross or net of tax or other deduction will depend upon the tax legislation and rules applicable to your account prevailing at the relevant time. Please also see Clauses 29 Common Reporting Standard and 30 USA | Foreign Accounts Tax Compliance Act (FATCA).

28.7 'Uninvested Money' may be managed by us to mitigate credit risk in one or more recognised banks in accordance with 28.5. In that regard, we shall have full authority at our discretion and without any form of prior reference to you to enter into any kind of transaction or arrangement relating to this pool of Uninvested Money. Uninvested Money may attract debit (negative) interest in line with UK and local interbank lending rates from time to time. Any such negative interest rate will be charged to your account.

28.8 In certain circumstances, we may hold or pass your money to an intermediate broker, settlement agent or "over the counter" (OTC) counterparty located in a jurisdiction outside the Isle of Man (or the UK). In these circumstances the legal and regulatory regime applying to such an intermediate broker, settlement agent or OTC counterparty will be different to that of the Isle of Man.

28.9 In the event of a default or failure of that intermediate broker, settlement agent or OTC counterparty, your money may be treated differently to the way in which it would be treated if it were held by an intermediate broker, settlement agent or OTC counterparty in the Isle of Man.

28.10 If you are uncertain as to the implications of the forgoing clauses concerning the use by us of recognised banks, intermediate brokers, settlement agents or OTC counterparties you should consider taking independent legal advice.

29.0 Common Reporting Standard

29.1 In October 2013, the Isle of Man Government signed an agreement with the UK Government and then in December 2013 signed an agreement with the Government of the United States of America to automatically exchange information from Isle of Man Financial Institutions regarding their account holders who are UK tax residents and certain US persons respectively. The Isle of Man legislation giving effect to the terms of these agreements came into operation on 30 June 2014.

29.2 In addition, on 29 October 2014 the Isle of Man Government entered into the OECD Common Reporting Standard (CRS) Multilateral Competent Authority Agreement. The Isle of Man legislation giving effect to the terms of this agreement came into operation on 23 October 2015. The result of CRS reporting is that information regarding account holders of Isle of Man Financial Institutions will be reported to a jurisdiction participating in CRS as a reportable jurisdiction of the Isle of Man, via the Isle of Man Treasury, where there is indication of them being tax resident in that jurisdiction. Reporting in respect of CRS is required to Isle of Man Government by 30 June in each calendar year.

30.0 USA | Foreign Accounts Tax Compliance Act (FATCA)

30.1 In the course of the provision of services to you we or our Eligible Custodians may maintain correspondent accounts in Dollars in the United States of America (US), which are subject to the jurisdiction of the US. The US has enacted a statute, called the Foreign

Accounts Tax Compliance Act, which is designed to ensure that the US recovers all tax due and payable by US Persons. This act came into force in 2013 but the regulations have the consequence of also affecting Non-US Persons who choose to invest in US Dollar denominated securities and/or hold US Dollars.

30.2 We fall within the definition of a Foreign Financial Institution in the legislation and as a consequence this places new burdens upon us as a withholding agent. We are required to identify persons who are either US Persons or Non-US Persons resident in the US, who are either direct individual clients or indirect (via a Company, a Partnership, a Trust or an Unincorporated Association) clients of ours. You are required to notify us if you are or become a "US Person".

30.3 In relevant circumstances we are required to either report on or withhold tax (on what are known as pass thru payments) on US source income which includes inter alia bank interest and dividends on equities. In addition if you fail to supply us with the requisite information this may also affect the way in which you are categorised by us and may make you liable to taxation on gross proceeds of sale of equities. The rules are detailed and if you are in a doubt about this matter we recommend you seek independent tax advice from a suitably qualified professional tax advisor in respect of your particular circumstances.

31.0 Taxation Generally

31.1 On the basis that clients holding investment accounts with us will be resident for tax purposes in many different countries, no attempt is made by us to summarise the actual taxation consequences for each client. These consequences will vary in accordance with the law and practice currently in force in your country of citizenship, residence, and/or domicile and with your personal circumstances or, in the case of a corporation, its country of incorporation or place of management and control.

31.2 Accordingly, you should apprise yourself of, and when appropriate consult your professional advisers on, the possible tax consequences and any exchange control requirements of opening or maintaining an investment account with us under the laws of your country of citizenship, residence or domicile.

31.3 In addition, you may be liable for tax on interest or savings income or dividends earned on your investment. Any such tax charge or liability is your sole responsibility and we shall not advise you in respect of such tax or be liable for its payment. We do not give tax advice and actions taken by us in relation to this clause shall not be construed as giving tax advice.

31.4 We recommend you seek independent tax advice from a suitably qualified professional tax advisor in respect of your particular circumstances.

32.0 Variation & Amendment

32.1 We may vary the arrangements contained in these Terms of Business by notice to you at any time, on the basis that the variation will take effect in relation to all orders placed by you after receipt of the notice.

32.2 Such notice may be affected in writing or by email (if you have agreed to correspondence by way of email) or by posting on our website/secure portal.

32.3 Such variations will become effective on a date specified in the notice, and in the case of an amendment or variation which is to your detriment, will be not less than 30 days before such variations become effective. No variation will affect any outstanding order or transaction or any legal rights or obligations that may have already arisen.

32.4 You are deemed to have consented to any alteration that may be effected to these terms and conditions if we do not receive

notification otherwise from you, in writing, within the time that the changes were notified to you and their coming into effect.

32.5 You may seek to vary the arrangements contained in these Terms of Business or your Agreement with us by notice in writing to us at any time, on the basis that the proposed variation will take effect in relation to all orders placed by you after receipt of the notice. Such variations, if agreed by us, will become effective on a date to be agreed by us and will last for such period as may be specified by you or in the alternative until rescinded or varied again by notice in writing. No variation will affect any outstanding order, transaction or any legal rights or obligations that may have already arisen.

33.0 Termination

33.1 We reserve the right to close your account on giving you 30 days' notice without giving any reason for such decision and further we reserve the right to terminate your Agreement with us immediately or withdraw access to your account immediately and without giving notice:

33.1.1 Pursuant to Clause 8.0 (Events of Default & Closure of Accounts);

33.1.2 In the event that there is evidence of criminal or fraudulent conduct on your part or in the case of bodies corporate trusts partnerships or unincorporated associations on the part of any officers or signatories; or

34.0 Successors & Assigns

34.1 For purposes of clarity, we may at our absolute discretion and in order to ensure continuing compliance with the Rulebook transfer our rights and obligations hereunder to any assigns and successors legally appointed. Your rights and obligations hereunder may not be transferred or assigned to any third party without our prior written agreement although they shall subsist and endure to the benefit of your successors.

35.0 Rights of Third Parties

35.1 A person who is not a party to this Agreement (other than a successor in title or a permitted assignee) cannot enforce or enjoy the benefit of any term of this Agreement under the Contracts (Rights of Third Parties) Act 2001.

- 40.0 USA | Patriot Act**
- 40.1 In the course of the provision of services to you we or our Eligible Custodians may maintain correspondent accounts in Dollars in the United States of America (US), which are subject to the jurisdiction of the US. The US has enacted a statute, called the USA Patriot Act, which authorises federal authorities to seize funds in such a such a correspondent account in the US if the US perceives that the correspondent bank is holding the proceeds of crime, whether committed in or through the US or not, and whether the alleged wrong-doer's account is in dollars or in another currency, so long as the alleged wrong-doer has funds on deposit with the correspondent bank which in turn has funds in the US. If bank funds are frozen, the bank may not defend the forfeiture action against its own funds except to the extent that it has already paid the funds out, which limits the liability of the bank to the value of the funds in the alleged wrong-doer's account, but provides for no defence of the alleged wrong-doer's conduct. What that means for you is as follows:
- 40.2 You agree that you will not remit funds or transfer assets to us which are the proceeds of crime.
- 40.3 Notwithstanding the provisions of paragraphs 40.1 and 40.2 you agree that if any funds are frozen by order of a court of competent jurisdiction in the US as part of a forfeiture proceeding:
- 40.3.1 You will defend the forfeiture action at your own risk and expense as provided for by US law; or
- 40.3.2 You will authorise us to pay the frozen funds over to the US Court issuing the freezing order or its designee, at the our discretion. You agree that you are aware that we are forbidden from defending, and will not defend, your interest in such a forfeiture proceeding.
- 40.4 You further agree that if we are directed to freeze the value of your assets pursuant to the USA Patriot Act by order of a court of competent jurisdiction you will not seek to have us release such frozen funds unless and until there has been a final order releasing the freezing order.
- 40.5 Notwithstanding the provisions of paragraphs 40.1 and 40.2, and every other provision of law, to the extent that you lawfully may do so you agree that you will not make any claims against us under the laws of any nation or political entity for release or repayment to you of the value of funds frozen or forfeited pursuant to the USA Patriot Act prior to the release of such funds.
- 40.6 Subject to any restrictions imposed by law we agree that if a freezing order or a forfeiture order directly or indirectly connected to your account is served upon us, we will notify you of the existence of such order in timely fashion, pursuant to Clause 40 of these Terms of Business.

The Criminal Finances Act 2017 of the United Kingdom and the Modern Slavery Act 2015 of the United Kingdom, together with any similar statute from any other jurisdiction and as any of the same may be amended from time to time.
- 41.2 Both we and you represent and warrant that:
- 41.2.1 Each will comply with all Applicable Laws in respect of the performance of its obligations under these Terms of Business including without limitation all Applicable Laws and regulations relating to taxation, exchange controls, customs matters, anti-bribery, anti-corruption, anti-trust, anti-money laundering, trade sanctions, financial sanctions and criminal matters.
- 41.2.2 Each party and if relevant its directors, employees, workers, contractors, agents, advisors, nominees, assignees and any other service provider ("Associated Persons") will not engage in any activity, practice or conduct which could contravene the Applicable Laws if such activity, practice or conduct had been carried out anywhere in the world, or which could cause the other party to contravene the Applicable Laws.
- 41.2.3 Each party's responses to the other party's anti-bribery, anti-tax evasion and modern slavery due diligence and enquiries, if requested, are complete and accurate.
- 41.2.4 Neither you nor we, nor if relevant any of each party's officers or employees or an Associated Person who are performing services in connection with these Terms of Business is a foreign public official (as defined by the Bribery Act 2013), and that no foreign public official owns a direct or indirect interest in the party or any associated person, and that no foreign public official has any legal or beneficial interest in any payments made by each party.
- 41.2.5 Each party shall promptly notify the other if, at any time during the term of these Terms of Business, our circumstances, knowledge or awareness change such that each party would not be able to repeat the warranties set out in this Clause 41 at the time.

- 42.1.2.3 Any act or omission or fraud by you or any agent of yours or by any person obtaining access to your account by using your designated account number, user name or password, whether or not you authorised such access; or
- 42.1.2.4 The taking of legal advice which we consider reasonably necessary to obtain arising from or in connection with the operation of your account or the activities of you or any agent of yours which touch or may touch concern or relate to the operation of the account.

43.0 Force Majeure

- 43.1 We will not be held liable for any loss incurred by you which arises either wholly or in part as a result of an event or state of affairs which is beyond its control to prevent and the effect of which is beyond its power to avoid in relation to your investments and which may arise inter alia from delays or changes in market conditions whether before or after any transaction, market fluctuation, currency fluctuation, computer failure, labour dispute, inability to communicate with market makers, or for any other reason and whereby we are either unable to take or refrain from taking or shall not be obliged to take or refrain from taking any action as a consequence thereof.
- 43.2 Unless you instruct us to act only on your written instructions, we will be entitled to act on instructions given to us by any method, whether or not in writing. - 43.3 The value of your investments and income arising there from may decrease as well as increase.

Details of the fees and charges are set out in our schedule of fees and charges which will be made available to you from time to time.

- 6.2 We may charge you as set out in our schedule of fees and charges for responding to enquiries from you or third parties in respect of any payment we have made in accordance with your payment instruction, but we will not charge you if we have made an error. - 6.3 We reserve the right to increase or vary our fees and charges for the Payment Services or introduce new charges at any time and will notify you of any such change in accordance with the Agreement. We will notify you of reductions in fees and charges but not necessarily in advance.
- 6.4 You can request us to deduct the amount of fees and charges in respect of an outgoing payment from the payment amount by stating this in the payment instruction. In the event that you do not specify how the charges are to be taken by us, we will deduct the amount of its charges from your account and not from the outgoing payment amount. In the event that this would lead the relevant account to become overdrawn you authorise us to debit the amount of any applicable fees and charges incurred by you in respect of an outgoing payment to any other account of yours as we may at our discretion think fit or in the absence of the same reserve the right to reject the payment.
- 6.5 In the case of an outgoing payment, intermediary/correspondent Banks and the beneficiary/receiver Bank may deduct their respective charges (if any) from the payment amount being sent to the beneficiary/receiver. In the case of international payments you can opt to pay all of the charges associated with the execution of the relevant payment instruction, including our charges, the intermediary/correspondent Bank's charges and the beneficiary/receiver Bank's charges (where applicable) by stating this in the payment instruction. It is not possible for us to advise you of the amount of any charges that will or may be applied by other banks, nor do we have any responsibility or duty to do so.
- 6.6 In the event that an outgoing payment is not executed by an intermediary/correspondent Bank or beneficiary/receiver Bank, for whatever reason, the relevant intermediary/correspondent Bank and or beneficiary/receiver Bank may deduct their respective charges (if any) from the payment amount being returned to us.
- 6.7 A payment instruction to make an outgoing payment in a currency other than the currency of your account will involve a currency conversion and will be subject to our variable exchange rates in addition to other fees and charges for the Payment Services.
- 6.8 In respect of a payment instruction to make a payment in a currency other than the currency of your account, unless we agree an exchange rate with you, the exchange rate used will be our exchange rate that is current at the time the payment instruction is processed by us and not necessarily the exchange rate at the time of receipt of the payment instruction.
- 6.9 An outgoing payment in a currency other than the local currency of the jurisdiction in which the beneficiary/receiver Bank is located may be converted into the relevant local currency by the intermediary/correspondent Bank or beneficiary/receiver Bank before being credited to the account of the beneficiary/receiver.
- 6.10 In the case of incoming monies, you acknowledge that an intermediary/correspondent Bank may deduct its applicable fees and charges from the relevant payment amount before it is credited to our account.
- 6.11 In the case of incoming monies in a currency other than the currency of your account with us (e.g. a foreign payment paid in US dollars for the credit of a sterling account), these will be converted at our prevailing exchange rate. Our exchange rates are variable exchange rates which are changing constantly throughout the day (e.g. to reflect movements in the foreign exchange markets).
